Total				\$8,348 34

Due to existing circumstances, the selectmen deemed it advisable and necessary to take over the M. L. Pike place,

assuming his care and support, and all other obligations. We have already paid a personal note, interest on same, also interest on mortgage, totaling \$139. There still remains a mortgage of \$900, held by Rutland Trust Co. The property has been deeded to the Town of Rutland and is placed to its credit. Mr. Pike, being now deceased, the place is on the market for sale.

Respectfully submitted,

O. S. FROST,
H. W. ROSS,
O. A. THOMAS,
Selectmen.

Report of Road Commissioner

The roads that received surface treatment are: The Pittsford road—owing to its poor condition, was spiked, shaped and rolled the second time, at a total cost of \$2,-961.14; State paid \$1,000.00.

East Proctor road was spiked, shaped and rolled where needed, at a cost of \$1,121.63; State paid \$500.00.

Vermont Marble Co. as usual donated the sand for the two jobs mentioned above.

There were two coats of tarvia applied to the Woodstock Ave. road at a cost of \$1,508.82; State paid \$754.41.

The 5% amounting to \$328.74 was worked out on the Chittenden road, job costing \$369.36.

The Unselected Highway fund of \$549.87 was divided. Job at Cold River, 350 ft., stone base, graveled, cost \$478.93; West Proctor road, graveled in several places, cost \$176.88.

The regular State money was expended on Woodstock Ave., there being 550 ft. stone base laid and graveled; one large bank removed and road straightened at a cost of \$2,-667.01; State paid \$1,580.52.

I am giving a separate report of flood work by jobs. These amounts below are as the Town will receive from the State flood account:

FRED S. HAWLEY,
Road Commissioner.

To the Board of School Directors and Citizens of the Town of Rutland

I submit herewith the annual report of the school department of the town of Rutland.

I shall begin my report with the statistical record of our schools for the year 1927-28 and for the fall and part of the winter term of 1928-29.

In June 1928 we had 230 pupils enrolled in our schools. Of this number 186 were promoted, 29 failed and 15 were promoted conditionally.

My report to the state department, submitted July first gives the total number of children enrolled during 1927-28 as 237,—125 of these were boys and 112 girls.

At present we have the following enrollment: Center school 127—Rural schools 112, distributed as follows: Dyer 22; Cheney Hill 32; Haiti 15; Mill Village 23; Post 20—Total number in all schools 239.

We have nine elementary pupils in schools, outside the town, for whom we pay tuition. These children are from the Mendon-Killington Ave. district, where we have no school, 7 of these children are enrolled in Mendon and two in Rutland.

According to the fall tuition bills and records from other towns, we now have 60 secondary school students for whom we pay tuition. These are distributed as follows: Rutland High School 41; Mt. St. Joseph's Academy 13; West Rutland High School 3; Pittsford High 1; St. Ann's Academy, Swanton 1; Loomis Institute, Windsor, Conn. 1.

During the year 1927-28 we paid tuition for 58 secondary school students.

In June, 23 pupils were granted certificates from eighth grade. Of this number 15 are enrolled in Rutland High School; 3 in Mt. St. Joseph's Academy; 1 at school in New Jersey; 1 is working and attending night class at Business College, 1 is helping care for her family and 2 are working, one on a farm and one in a store.

This year we have 12 pupils who live outside of our school districts and must be transported.

Our school attendance continues to be very good. This winter our percents will probably be lowered considerably because of the many cases of illness.

Last June the percent of attendance for the year was 95.5. Our percent this year from September through December has been 98.2.

Much credit for this high standard is due the teachers who have worked unceasingly to maintain high standards in their schools.

Our rural schools were inspected in the fall by Mr. Clayton E. Erwin, state deputy commissioner of education. He advocated some changes and repairs that will help to keep up the standard of our schools. Some of these necessary repairs have already been made, the remainder will probably be completed during the coming summer.

We are glad to report that in no case was credit taken from the rating on the teachers' side of the rating card.

Since last June the school board has outfitted two rooms at the Center school with movable seats—fenced the Cheney Hill school yard—painted the interior of the Post school—installed electric lights in the Haiti and Post schools and put a new heater into the Dyer school.

At this school a part of the shed has been made into an alcove coat room. This will provide a warm and dry space for the children's wraps.

These comprise the major pieces of repair work done. Many other smaller jobs of carpentry and plumbing were also completed.

The Parent-Teacher Associations this year, as in the past, have continued to give help and cooperation in school activities.

The Dyer association has purchased new double roller curtains for the school. The associations have bought library books, medicine chest equipment, articles of furniture, hot lunch equipment, and in most cases have provided part of the hot lunches served during the winter months.

They have also furnished a number of parties, treats, etc. for the children.

During the past year pupils have carried on several interesting and worthwhile projects.

Work from our schools has been exhibited at a number of teachers' meetings and conferences. This work has received much favorable comment.

A savings bank has been placed in the Center Rutland school, by the Rutland Savings Bank. To date the children have saved almost \$250. We feel that this saving represents a large sum for the number of children enrolled. We would like to carry on this thrift project in the rural schools but the buildings are so easy of access that we do not think it would be quite safe.

We were fortunate this year in retaining all of our teachers, each of whom has such a keen interest in the welfare of her school.

In closing I wish once more to thank all parents and persons interested in school welfare for the interest shown and help given in our work of the past year.

Respectfully submitted,

MARGARET C. McCORMACK,
Superintendent.

NOTICE

The legal voters of the Town of Rutland are hereby warned to meet at the Town Hall at Center Rutland on Tuesday, March 5, 1929 at 10 o'clock A. M., to act on the following matters, namely:

1. To see if the Town will empower and authorize Selectmen to appoint one or two Road Commissioners.
2. To choose all necessary officers required by law.
3. To see if the Town will vote to raise money by tax or otherwise to pay current expenses and indebtedness of the Town and State, School, Highway and County taxes.
4. To see what time the several taxes shall be due and payable.
5. To see what compensation the Town will vote for Town Officers.
6. To see if the Town will appropriate a sum of money to secure the use of the Rutland Free Library to the inhabitants of the Town, and if so, how much.
7. To see what provisions the Town will make for the higher education of the scholars of the Town.
8. To see if the Town will vote to raise a sum of money in addition to the amount now required by law to take advantage of Section 4591 Public Statutes, and if so, how much.
9. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town.
10. To transact any other necessary, legal and proper business.

O. S. FROST,
H. W. ROSS,
O. A. THOMAS,
Selectmen.
